Dear Victoria,

We have only just had sight of the new submission to discharge condition 6 and as you might imagine there are still several issues that need to be raised.

I will be sending you a detailed response but I am extremely busy at the moment and will need a little time to prepare it. It will probably take a week before I can find the time to do this.

I hope you will bear with me before any final decision is made.

Best wishes,

Rod
